George Smith : Tiny Essentials of Writing for Fundraising before purchasing it in order to gage whether or not it would be worth my time, and all praised Tiny Essentials of Writing for Fundraising:

Burnett and his team are right to publish this highly polished diamond. 2 of 2 people found the following review helpful. Learn from a proven master By Tom Ahern UK copywriter George Smith was, until his untimely death a couple of years ago, among the very best creators of fundraising appeals in the world. In this book, written for the select "Tiny Essentials" series of Marie and Ken Burnett, George Smith offers serious direct mail fundraisers his best, most unfiltered advice. With a personal office library now numbering over 400 how-to books, I number this Tiny book by George Smith among the top half-dozen. It's one you'll reference often ... and you'll be forever grateful for its concision and no-nonsense approach.
