people found the following review helpful. Expensive but glad it was available!By TMcMahonVery expensive for a

softcover book, but it's a bit obscure and hard to find, so I'm glad it was available. 0 of 6 people found the following review helpful. To be Two By Margot Leitch This book was in good condition. Unfortunately, it has not been delivered as prompt as I expected so my son couldn't complete his homework.

First published in 2001. Routledge is an imprint of Taylor Francis, an informa company.

Language Notes Text: English (translation) Original Language: Italian From the Back Cover In this major new work, French philosopher Luce Irigaray continues to explore the issue central to her thought: the feminist redefinition of Being and Identity. For Irigaray, the notion of the individual is twinned with a reconceived notion of difference, or alterity. What does it mean to be someone? How can identity be created, or discovered, in relation to others? In *To Be Two* Irigaray gives new clarity to her project, grounding it in relation to such major figures as Sartre, Levinas, and Merleau-Ponty. Yet at the same time, she enriches her discussion with an attempt to bring the elements -- earth, fire, water -- into philosophical discourse. Even the polarities of heaven and earth come to play in this ambitious and provocative text. At once political, philosophical, and poetic, *To Be Two* will become one of Irigaray's central works. About the Author Luce Irigaray is the author of the feminist classics *Speculum of the Other Woman* and *This Sex Which Is Not One*. Routledge publishes several of her more recent books, including *Je Tu Nous* and *I Love to You*.
