Lisa Hajjar : Torture: A Sociology of Violence and Human Rights (Framing 21st Century Social Issues) before purchasing it in order to gage whether or not it would be worth my time, and all praised Torture: A Sociology of Violence and Human Rights (Framing 21st Century Social Issues):

Torture is indisputably abhorrent. Why, you might ask, would you even want to think or read about torture? That is a

very good question, and one this book addresses in a compelling and enlightening way. Torture is a very important issue, not least because millions of people around the world have been subjected to this odious practice and many are enduring torture right now as you read these words.

About the Author Lisa Hajjar is associate professor of Sociology at the University of California, Santa Barbara.
