**Jean Warren, Elizabeth S. McKinnon : Totline Small World Celebrations ~ Around-The-World Holidays to Celebrate with Young Children** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Totline Small World Celebrations ~ Around-The-World Holidays to Celebrate with Young Children:

0 of 0 people found the following review helpful. Five Stars By Glenn Davis Gift. 0 of 0 people found the following review helpful. Small World Celebrations By Debbie Rock This book is wonderful. I used it during a session of day camp with my preschool students. We had so much fun with the crafts and ideas. It came in great shape too. I was very pleased. 4 of 4 people found the following review helpful. Small World Celebrations By A Customer This is a great resource book for educators (and others) interested in providing children with accurate information about holidays

celebrated around the world. It's wonderful for teachers to use in classrooms to provide multicultural lessons to their students. This book provides useful background information about numerous holidays (some familiar, some not) and suggestions for activities. It is suitable for young children (toddlers and up). A wonderful resource for every classroom!

Small World Celebrations, Around the World Holidays, To Celebrate Young Children, Multicultural Themes: Ages 4-6, Paperback 157 pages.
