Yossi Prager : Toward a Renewed Ethic of Jewish Philanthropy (Orthodox Forum) before purchasing it in order to gauge whether or not it would be worth my time, and all praised *Toward a Renewed Ethic of Jewish Philanthropy* (Orthodox Forum):

0 of 0 people found the following review helpful. A scholarly and thoughtful read that discusses the good things that can be done with money from a Jewish perspective By Midwest Book Review Charity is not a Christian value alone; it holds its place in Judaism as well. "Toward a Renewed Ethic of Jewish Philanthropy" discusses the role of philanthropy in Orthodox Judaism and its purpose for Jews of many levels. From philanthropy at home, the

community, the history of Jewish philanthropy, economics, dirty money, and more. "Toward a Renewed Ethic of Jewish Philanthropy" is a scholarly and thoughtful read that discusses the good things that can be done with money from a Jewish perspective.

The essential premise of this book is that recent decades have brought about social and economic changes within the Jewish community generally, and Orthodoxy in particular, that generate a need to revisit issues relating to Jewish charity and philanthropy. The collection of articles in this book, written for and discussed at the 2008 Orthodox Forum, attempts to provide the background for a renewed ethic of Jewish charitable giving by examining the current reality through the lens of sociology, history, Jewish public policy and halacha.
