Emily Gwathmey, Suzanne Slesin : Trick or Treat before purchasing it in order to gage whether or not it would be worth my time, and all praised Trick or Treat:

2 of 2 people found the following review helpful. A Timeless Treat!By MThis has been my favorite Halloween book since I was about eight years old. It combines history, pictures, recipies, poems and fun in one book. I highly recomend this book for lovers of Halloween, for all kids, and everyone who just refuses to grow up! Enjoy!

An activity book for the most uninhibited holiday of the year includes stencils for jack-o'-lanterns or Halloween cards, spells to cast, games to play, facts to learn, and recipes to brew.
