Leon F. Litwack, Leon F Litwack : Trouble in Mind before purchasing it in order to gauge whether or not it would be worth my time, and all praised Trouble in Mind:

"The stain of Jim Crow runs deep in 20th-century America. . . . Its effects remain the nation's most pressing business. Trouble in Mind is an absolutely essential account of its dreadful history and calamitous legacy." --The Washington

Post "The most complete and moving account we have had of what the victims of the Jim Crow South suffered and somehow endured." --C. Vann Woodward
In April 1899, black laborer Sam Hose killed his white boss in self-defense. Wrongly accused of raping the man's wife, Hose was mutilated, stabbed, and burned alive in front of 2,000 cheering whites. His body was sold piecemeal to souvenir seekers; an Atlanta grocery displayed his knuckles in its front window for a week. With the same narrative skill he brought to the Pulitzer Prize-winning *Been in the Storm So Long*, Leon Litwack constructs a searing history of life under Jim Crow. Drawing on new documentation and first-person accounts by blacks and whites, he describes the injustices--both institutional and personal--inflicted against a people. Here, too, are the black men and women whose activism, literature, and music preserved the genius of their human spirit. Painstakingly researched, important, and timely, *Trouble in Mind* recalls the bloodiest and most repressive period in the history of race relations in the United States--and the painful record of discrimination that haunts us to this day. "Moving, elegant, earthy and pointed. . . . It forces us to reckon with the tragic legacies of freedom as well as of slavery. And it reminds us of the resilience and creativity of the human spirit." --Steven Hahn, *The San Diego Union-Tribune*
"A chilling reminder of how simple it has been for Americans to delude themselves about the power of race." --*The Raleigh News Observer*
