Katie Novak EdD : UDL Now!: A Teacher's Monday Morning Guide to Implementing the Common Core Standards Using Universal Design for Learning before purchasing it in order to gage whether or not it would be worth my time, and all praised UDL Now!: A Teacher's Monday Morning Guide to Implementing the Common Core Standards Using Universal Design for Learning:

0 of 0 people found the following review helpful. UDL for parents, teacher and principals... all you need to know in

one book. By S. Goible This book puts into words in lay man's terms the intricate theories and philosophies by which teachers are utilizing to make the most of the educational experience. The ease of the writing and fluidity make it captivating reading as if you were in the midst of a novel... except this information is extremely valuable educational strategies that give teachers the tools and parents the insight into this incredible educational design. As a parent who wants to be informed about my children's ability to learn this book helped me do just that. I appreciate the approachable nature of this and recommend everyone from educator, principle to parent to purchase this book. 4 of 4 people found the following review helpful. Fantastic resource! By Marsye Kaplan Katie has provided us with a practical guide to understanding and implementing UDL! The teachers I am training are able to use the information immediately. Thank You, 3 of 4 people found the following review helpful. Highly recommended By Lawrence Walker An excellent resource with an engaging flow of text

In UDL Now! Katie Novak provides practical insights and savvy strategies for helping all learners meet high standards using the principles of Universal Design for Learning (UDL). Chapters include: -- The UDL Guidelines: A Planning Tool You Cant Live Without -- Recruiting and Engaging Students as UDL Partners -- Two Types of Learning Standards and UDL Implementation -- Choice Assignments: Expressing Knowledge in Endless Ways -- Scaffolding: Setting the Bar High and Raising Students to It

About the Author Katie Novak is the Assistant Superintendent of the Groton-Dunstable Regional School District in Massachusetts and a leading expert on Universal Design for Learning implementation. With 13 years of experience in teaching and administration and an earned doctorate in curriculum and teaching, Novak designs and presents workshops both nationally and internationally focusing on implementation of UDL and the Common Core. She holds a doctorate in education from Boston University.
