Mel Thompson : Understand Political Philosophy: A Teach Yourself Guide (Teach Yourself: Reference) before purchasing it in order to gage whether or not it would be worth my time, and all praised Understand Political Philosophy: A Teach Yourself Guide (Teach Yourself: Reference):

1 of 1 people found the following review helpful. A must for people starting to study the subjectBy TulachinThis book

is great! I thought I knew about Political Philosophy until I read this book. I'm just grateful for having a class that required Understanding Political Philosophy. However, do not expect this book to cover material in depth, because it is intended to cover a lot of theories in a few pages. Despite that, it does challenge the reader to think about what he is reading, which is why I loved this book. It presents a theory, and right away shows you its practical implications, along with the main criticisms of such theory.

Book by Thompson, Mel
