**Dian Hanson : Vanessa del Rio** before purchasing it in order to gage whether or not it would be worth my time, and all praised Vanessa del Rio:

Everything you always wanted to know about Ms. Vanessa Del Rio but were too drained to look up. The photographic quality here could have been much better (and the price could have been less), but many of the 1970-era images are dark and lack today's superior resolution. But if you absolutely must have the world's sexiest, raunchiest living room coffee-table book to stimulate conversation, Taschen never fails to deliver the good stuff.0 of 0 people found the following review helpful. A Collectors EditionBy Mr RolandFirst let me begin by saying this book is X Rated and should be kept out of the reach of minors. This lavishly produced book is an in-depth look into the life of Vanessa Del Rio, one of the true icons of adult entertainment. Hundreds of large sized color and b/w photographs follow her career from start to semi retirement. In her own words she tells you of the crazy, exploitive, unglamorous, dangerous, drug filled, abusive, sexual morals world of a pornographic performer. And quite a tale it is. Sometimes seedy and trashy, other times downright hilarious.This is a big, heavy book with heavyweight glossy pages. Definitely a deluxe quality product. So for afficianados of 1970's erotica, this will be a prized addition to your collection. I certainly enjoy my copy.FYI: This book was printed in a limited number, so prices may vary by \$5 or \$10, but I think you'll find it to be worth its price. Happy reading ! Dian Hanson created a worthy tribute to Ms. Del Rio.

## Forty bucks a movie: Life and lust of the legendary Latin porn star Vanessa del Rio

""Her whole body and whole gestalt is so amazing. She was the real thing and not being seen, not being recognized. A true ."" -- Robert Crumb  
From the Publisher  
In this sumptuous over-sized volume, TASCHEN celebrates a remarkably candid, confident and exuberantly sexual woman. Presented through Vanessa's own archive, in her own words, is a life at once shocking, titillating, amusing, and inspiring. And because paper and ink can't do justice to a personality this big, an original two-hour DVD documentary is included. If you aren't already convinced, this book will end all doubt that there could ever be another woman like Vanessa del Rio. Vanessa del Rio is limited to a total of 1,500 numbered copies, each signed by Vanessa \* 1,300 copies in the Art Edition \* 200 copies in the Collector's Edition, with a special "pimped up" cover and a Robert Crumb lithograph \* Bonus for one lucky reader: one of the 1,500 copies contains a Golden Ticket good for a date with Vanessa, photographed by a famous photographer!!
