**Victoria Magazine Editors : Victoria: The Heart of Christmas** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Victoria: The Heart of Christmas:

2 of 2 people found the following review helpful. A nice holiday book By NY reader This is another nice Victoria book. I have them all and enjoy going back to them over and over for inspiration. 8 of 8 people found the following review helpful. Victoria: The Heart of Christmas By Mary H. Gottlieb Through the glorious photography and settings you are drawn into the nostalgia so evident in the Victorian scene. Moreover, it is in the text that you are gladly carried away to another time and age which, sadly, has been set aside upon a shelf marked Christmas Only. The recipes are well worth the price of the book which is bound to garner your favor and loyalty when you choose to create not only a Victorian, but a gracious setting. 0 of 1 people found the following review helpful. Lovely Christmas dream book By Brown eyed girl Loved looking through the pictures and ideas. It was lying on a table in the den, and I noticed several people looking through it.

The heart of Christmas is joy and generosity; nowhere is its spirit more beautifully captured than in this graceful volume from the editors of Victoria magazine. Their favorite Christmas vignettes form the basis for this elegant

approach to America's best-loved holiday, lavishly illustrated with four-color photographs. Come experience the winter season in a new light: a snowy homecoming, a horse-drawn sleigh ride, holiday lights ablaze in a Victorian neighborhood in the South. To set a festive and romantic mood at home, *Victoria The Heart of Christmas* offers special decorating ideas -- fresh lilies tucked into the front-door wreath; treasured family photographs framed in silver and hung on the tree; a mantelpiece with white roses and gold ribbon; a table set for two with heirloom lace. You'll also find page after page of recipes for traditional holiday treats and gift ideas from the kitchen -- creamy trifle, spicy plum pudding, lavender jelly, and a complete Victorian dinner Dickens would have loved.
