Wolfgang Regal, Michael Nanut : Vienna A Doctors Guide: 15 walking tours through Viennas medical history
before purchasing it in order to gage whether or not it would be worth my time, and all praised Vienna A Doctors
Guide: 15 walking tours through Viennas medical history:

0 of 0 people found the following review helpful. Four StarsBy Luca BorghiVery interesting book. Well done!0 of 0 people found the following review helpful. Exciting ViennaBy CustomerFantastic book. For people interested in History and buildings . Where tourists seldom come0 of 1 people found the following review helpful. Interesting, well-written and beautifully-photographedBy A voracious readerI've been to Vienna a few times, but this book lends a whole new perspective to the city and I look forward to taking the recommended walks. The authors did a great job, as it was quite interesting reading and the photos are lovely.

This guide is for all visitors to Vienna who are interested in the history of medicine. 15 walks through the city reveal the old medical Vienna: the Fools Tower, Freuds private practice and apartment, the workplaces of many famous physicians, through the old General Hospital, the old university, and the most important pathological museums. Little-known details and anecdotes are included as well as a short history of Vienna and some gourmet tips.

About the AuthorWOLFGANG REGAL and MICHAEL NANUT work as specialists in the areas of anesthesiology and critical care in a Viennese intensive care unit.
