He claims Dexter White was "tarred as a Communist" by "nazis" in our government when Dexter was in fact beyond doubt a communist spy. He also conflates being German with being a war criminal. He calls ww2 noninterventionists "nazi supporters". He makes broad claims that certain ppl (mostly conservatives) were nazis without offering any evidence. The tone already is that the author hates conservatives, Germans, and wishes to blame whatever his idea of "CIA mind control" is on the right wingers and nazis.He clearly sympathizes with communists and zionists. Disappointing book so far. I may finish it just for the historical "nuggets". But everything will have to be taken with a grain of salt. Wouldnt trust a word i couldn't verify myself.0 of 0 people found the following review helpful. A must readBy AnneRob123499Great book. Professionally written!!
